Festival de la Familia, Inc. Final Farewell

It is with sadness the Board of Directors announces the final closure of Festival de la Familia, Inc. In 1991 Festival de la Familia was founded and the following 21 plus years FDLF, with the help of donations and hundreds of volunteers, presented an elaborate, prideful, cultural family-oriented event. Our gratitude and appreciation are extended to all of those who assisted with the donations, planning, dedicated work and execution of this event...our heartfelt thank you!!

In maintaining our mission to bring awareness to the community of the various Latino Cultures, the final action taken by the Board of Directors is to utilize the remaining funds to continue this mission pledge. The Board of Directors has donated funds and/or property to the (1) Latino Center of Art and Culture for sponsorship of Dia del Niño, April 2018, (2) Harris Center for sponsorship of Aida Cuevas Concert, scheduled October 7, 2018, and (3) Donation of over 100 books to Shriners Children's Hospital written by for and/or about Latino Culture.

Again, our sincere appreciation and thank you to the community who attended our premier family event, financial supporters for their generous donations, volunteers who gave many hours of their time to ensure our outstanding success.

Muchas Gracias
Hector Bautista Sr.
President, Board of Directors
